

Online Keyboarding Sites

To Support Learning Left And Right Sides Of The Keyboard

Choose one of the following activity sites after reviewing the "Keyboarding Poem Left and Right Sides" document.

Key Seeker - Uses purple for left side keys and green for right side keys.
(Consider using a purple and green sticker or wristband on the student's corresponding hands for faster success.)

<http://www.annrymer.com/keyseeker/>

For the following activities, place a rubber band around your keyboard separating the two sides of the keyboard (between the 5/6, T/Y, G /H, and B/N keys).

Cup Stack Typing - presents letters to be typed

http://www.surfnetkids.com/games/cup_stacking.htm

Keyboard Climber - presents letters to be typed

<http://www.tvokids.com/framesets/play.html?game=222>

FingerJig - presents words to be typed

<http://www.jonmiles.co.uk/games/fingerjig/>
