

## To Use a File from the Compact Flash (CF) Card in the Fusion

- Turn Fusion on.
- Open student folder.
- Press Menu key (on right on space bar).
- Click "enter" to load a file from the CF card.
- Use the right and left arrow keys to choose the file.
- Press "Enter" to select file.

## To Save a File from the Computer onto the Fusion:

The computer file must be saved as a Text only file (.txt)!

Reminder:

Be sure to remove CF card before using the reset button!
